

Your Community Needs You

Ambassadors of Key To Hope, NZ Suicide Prevention Trust,
Families4Justice, Patients' Rights Advocacy.

Enrol now as a recruit because living in this darkness, involved in a spiritual, end-time battle, we need the light that shines within you. Your

country needs you to be a person who believes in creating a brighter future, being critical thinkers not dumbed down zombies. It's all about **rights** and **responsibilities**; knowing who you are as a self-determined sovereign or a slave. With so much darkness, poverty, alienation, mental illness and suicide, with people reacting to each other, **its time for people to stand up and reclaim their true identities.**

The star of Gilgal expresses the circle of stones and ancient Celtic history. The Saint George cross: Saint David (Wales), Saint Andrew (Scotland) and Saint Patrick (Ireland) defined as the United Kingdom within the Union Jack. The circle of stones are a memorial remembrance of the 12 tribes (Joshua 4:7). These stones represent the Pleiades arm of our solar system. The Hebrew Phoenician connection found at Carthage reveals King Solomon trading on the seas (1 Kings 7:13-23). He built the molten sea of bronze, an astrolabe.

Jacobus Gielen is a Dutch, William of Orange Sovereign, honouring the two-striped pound, not the counterfeit Rothschild one. King William the 4th's 8-pointed star, recognising the sovereignty of the chieftainship in 1835 - Māori people who had their own banks, printing press, trading on the seas with Admiralty Law bestowed upon them by King William the 4th. I, Jacobus Gielen, spent three years on the Mangatoatoa Marae with the Mana Ariki Black Madonna Tekotahitanga Unity Movement. We were given the message

by the lightwoman of Revelation 12:5, that all the tribes and peoples had to work together to withstand the onslaught and darkness coming upon society. We as nation-first people and patriots fighting for freedom, need to step to the fore fighting for freedom, sovereignty, justice and true democracy. My name Jacobus is the Latin word for James, related to the **Jacobin revolutionaries**, part of a club dedicated to freedoms and equalities when the right-wing aristocrats lost their heads. My uncle Frank Gielen was a resistance freedom fighter in 1944, helping Dutch Jews escape, dealing with Nazi sympathisers and police collaborators. He received a stipend from the Israeli embassy and was put on a memorial plaque in Israel, honoured as a hero.

Sign up and enlist now as self-determined sovereigns, human rights champions and defenders, constitutional marshals and patriots, freedom fighters, common law practitioners, divine sovereigns expressing the throne room rights of King Jesus, parental care and support family law advocates, **community warriors and kaitiaki army soldiers**.

We should all work with a top-down bottom-up system, elevating the status of all people fighting for true freedom, justice and equality. We need to acknowledge our Higher Power, setting up accountability partners and sponsors, accessing the Father within; not becoming infantile or childish but mirroring a mature, healthy adult.
